PRIMAL SAFETY COLORING BOOK

BDI Publishers. Paperback. Book Condition: New. Paperback. 52 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Brent created this coloring book as a way to initiate conversation about work safety among families and co-workers. A devastatingly high number of families have been affected by work-related accidents and deaths that have left them broken and grieving. Written in both English and Spanish, this coloring book creates a unique way to remind construction workers about the most important reason to stay safe on the job - their families and loved ones. Proudly display the colored drawings at work as a way to proudly show all that you have to be safe for, your children and family. All profits from this book go toward supporting a foundation that helps families and workers who have been injured or killed on construction projects in the name of Bob A. Darnell, Brent's father who passed away in March 2009. Education is the first step in prevention and that is what this book proudly supports. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
