Frances Lincoln Publishers Ltd, United Kingdom, 2010. Hardback. Book Condition: New. Graham Marsh (illustrator). Reprint. 256 x 252 mm. Language: English . Brand New Book. Max is a sharp dresser who plays piano. He s a very cool cat indeed. But one day while he s writing a tune, he loses a note. So he rides his scooter downtown to see if anyone s seen his note. First stop is Kitty s Place for a glass of milk and some catnip. And he meets the singing group the Funky Felines here too. They haven t seen Max s lost note, but they sing him a song, and tell him to try Long Tall Dexter. Dexter plays Max a tune on his saxophone, but the note isn t there either. Max trys asking his neighbour Rita, who plays the flute, and she directs him to cool cat Sam, who has a different hat for every day of the week and plays the double bass. All Max s friends play him lots of mellow music, but there s no sign of the lost note. It s only when Max gets back home and kicks off his shoes that the lost note turns up - in a most surprising place! This funny and funky picture book, with its cast of musical cats, is a fantastic introduction to all the different instruments of the jazz band as well as being a hide and seek picture book. There s a mouse to find on every page too!.
