Blurb, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Most Catholics today are ignorant in their faith, thanks to the liberal clergy ordained before and after the Second Vatican Council. Many have no clue that it is a sin to divorce, use birth control, sterilize, cohabit, and embrace same-sex marriage, yet the laity in positions of authority make a bad name for orthodox believers. Many Catholics are ignorant of what has happened for the past fifty years or more, and how it has destroyed Western Civilization, and more specifically, America at-large. This particular book is loaded with basic information that states how the sins of the Archdiocese of Boston, once the greatest Catholic diocese in the United States, have caused clericalism and the Sex Abuse Scandal worldwide, and what could have been done to prevent it and other apostate acts. It also offers solutions on what can be done to convert the New England region (and others) to the Catholic Faith and restore America for what it really was founded upon.
