FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Dartmouth, Vol. 16: February 8, 1895 The London Athletic Club has accepted the challenge of the New York Athletic Club to send a team to this country next summer to compete with a representative team of American athletes. Dartmouth's representative, Stephen Chase, 96, is sure to carry off all the honors in his event, the 120-yard hurdle, comments the New York Evening Post. A comparison of the summary of students for the last and the present college year shows that today eleven more students are enrolled than were a year ago. In representation by states the catalogue shows a loss of eighteen from New Hampshire and one from Vermont; gains of twenty-four from Massachusetts, five from Connecticut, three from Maine, three from New York and two from the West.
