

The Fall of the Euro: Reinventing the Eurozone and the Future of Global Investing (Hardback)

By Jens Nordvig

McGraw-Hill Education - Europe, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. From Jens Nordvig--named the #1 currency strategist in the 2013 Institutional Investor survey What does the crisis in the Eurozone mean for our markets-and how can you protect your portfolio against crises in Europe? Little has been written about the instability of the Euro, but it's a very real threat to investors worldwide, as well as to the global economy. Swings in global asset markets have been increasingly driven by developments in Europe. This is something new: in the past, Europe was one of the most stable parts of the global economy, and its typically minor economic fluctuations would have little bearing on US equity markets. Now, Europe's economic and political developments will be a persistent source of shocks for global financial markets. As an investor, you need a roadmap. This book is that roadmap. The Fall of the Euro describes the Eurozone's unstable equilibrium and explains why a breakup of the Eurozone is still a possibility. Nomura's global head of currency strategy and one of the world's top experts on the Euro, Jens Nordvig gives us a detailed...

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
