RATS, BATS AND VATS

Baen Books. Book. Book Condition: new. BRAND NEW, Rats, Bats and Vats, Eric Flint, Dave Freer, Chip Connolly was a conscripted grunt in trouble: stuck behind enemy lines with a bunch of cyber-uplifted rats and bats. Rats with human speech, but with rat priorities: sex, food and strong drink. And the bats were revolutionaries planning to throw off the human yoke -- with high explosive. Then there was the girl they'd rescued. Rich. Beautiful. With a passionate crush on her "heroic" rescuer. Her entourage was a screwball Alien tutor, and a cyber-uplifted lemurlike pet galago with delusions of being the world's greatest lover. Of course things only got worse. Seven rats, five bats, a galago, two humans, a sea-urchin-like alien and an elderly vineyard tractor without brakes.against several million inimical aliens. He was going to die. Mind you, "not" dying could be even more terrible. That girl might get him.
