No binding. Book Condition: New. This item is printed on demand. Original publisher: Washington, DC : Federal Highway Administration, 2009 OCLC Number: (OCoLC)500908021 Subject: Emergency transportation -- United States -- States -- Management. Excerpt: . . . Good Practices in Transportation Evacuation Preparedness and Response i T s (iTs) i T nTelligenT ransPorTaTion ysTems ncluding ransPorTaTion anagemenT enTers m c (Tmc)-Text Alerts - Text alert subscriptions are provided by the Illinois Department of Transportation (IDOT) through its TMC (iltrafficalert. com). These alerts provide the subscribers with the most real-time traffic information available in the area and can be used to provide emergency information. -Coordinated TMC Information - The TMCs that are members of the Gary-Chicago-Milwaukee (GCM) Corridor provide coordinated traffic information to the public on both a routine and emergency basis. Such information provides a more regional outlook of traffic conditions allowing motorists to make decisions about their choice of routes. GCM members include the Indiana Department of Transportation (INDOT), IDOT, and Wisconsin Department of Transportation (WisDOT). -Mobile Video and Data Collection Units - VDOT leases mobile video and data collection units (wireless communication,...
