Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Chief End of Man: An Exposition of the First Answer of the Shorter Catechism The definitions of the Shorter Catechism of the Westminster Assembly have been always admired for the exactness and conciseness of the terms in which they are expressed. These qualities adapt them to the use of memory, being so brief that they are no burden to the mind, and so comprehensive that they are susceptible of being expanded into a full system of inspired truth. But this very excellence is the source of the greatest disadvantage which has been found in the use of the Catechism in the indoctrination of the young. For the terms of the definitions, though easily retained, are neither so easily committed nor understood as they would be if they were more diffuse and less technical. Hence it is so common to find children averse to the task of committing the answers, and when they have accomplished this, appearing to have very faint ideas of their meaning. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
