Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What was so significant about the forbidden tree in the Garden of Eden? Lust, the underlayment of temptation to sin still lurk, sitting quietly disguised as something else, mean while stealing our ability to have an abundant life. Author Sonja Ni chelle wondered why she kept falling, but has learned a secret which she now exposes and explains in her new, nonfiction book, The Lust Factors. This book concentrates on three primary areas of lust in carnal minds; lust of the eyes, pride of life and the lust of the flesh. Biblical figures are highlighted that struggled with temptation to sin like Adam and Eve, Cain and Abel, and even Samson. Phenomenal insights are given to empower us with knowledge of the enemy s tactics and guidance through the Word of God, so we can make better decisions, enabling us to have the life that we were meant to have.
