This quiet suburban street looks like a normal New York suburb but Lutz family who were the main characters in The Amityville Horror book went through hell in their newly purchased dream home. The said house has a tragic history and Lutz family supposedly experienced it first hand. Yes, it was confirmed that the book featured plenty of false accounts and recollections, but it helped put Amityville on the map and the story soon became well-known throughout the United States and the rest of the world. However, not all scary stories are made up and there has to be something to them, right? The real events that occurred on a cold autumn day in November of 1974 at a lovely house on 112 Ocean Avenue were as chilling as the most intense work of fiction out there.
