

North American F-107A

By William J. Simone

Ginter Books. Paperback. Book Condition: New. Paperback. 145 pages. Dimensions: 10.9in. x 8.4in. x 0.3in. North Americans oft-forgotten F-107A remains perhaps the most enigmatic of the famous early Century Series fighters. The enigma stems from the fact that it was an outstanding and extraordinarily effective war-plane and was, perhaps, the best airplane in the world for its particular job at the time of its late 1956 first flight; mysteriously, it was never to go into production, even in light of its superior capabilities. The F-107A scored several firsts. Among them were a truly unique flight control system, an advanced inlet system, and the incorporation of a semi-submerged store. It was also the last of a long line of North American fighters to be built. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
