

The Forbidden Temple

By Patrick Woodhead

Cornerstone, United Kingdom, 2010. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. To Luca Matthews the dangers of the high mountain peaks are the air upon which he thrives. In the ruthless pursuit of his goals he would sacrifice anything - even another climber s life. His friends and family know and fear it. So when he sights a virgin peak in the Himalayas that exists on no map, no one is surprised when he becomes obsessed with being the first to scale it. Together with his climbing partner, Bill Taylor, they set off into a region of Tibet highly restricted by the Chinese. But a freak accident puts one of their team in mortal danger and it is left to a local Tibetan girl to lead them to Geltang, a monastery that has been hidden from the outside world since the Chinese Cultural Revolution, when most of the monasteries were pillaged and burned. When the Chinese secret police get wind of them, Luca and Bill find themselves embroiled in an age-old struggle, not for their lives but to protect the precious secret that Geltang hides, and the legacy of Tibet itself.

Reviews

Excellent electronic book and valuable one. We have read and so i am sure that i am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book i have read during my personal lifestyle and might be he greatest book for possibly.

-- **Brendan Wuckert**

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
