The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, Your Brain on Cubs: Inside the Heads of Players and Fans, Dan Gordon, Lindsay Beyerstein, Kelli Whitlock Burton, Bennett Foddy, Jordan Grafman, White Sox fans were overcome with euphoria when their beloved team won after eighty-eight years of failure, and the long-suffering Red Sox Nation finally received their vindication in 2004. Now the Cubs are the only "cursed" team left: the team has repeatedly made the playoffs without winning the World Series for the last ninety-nine years, and yet thousands who bleed Cubbie blue pack Wrigley Field for every game. The reasons why ardent sports fans in Chicago and around the world buy expensive game tickets and memorabilia, fill stadiums, and live and die by their teams' fortunes are the subject of "Your Brain on Cubs", an engaging study that delves into why sports engender such passionate emotions in us all. A group of today's leading science writers and neuroscientists explore here the ways that our brains function when we participate in sports as fans, athletes, and coaches, taking baseball as the quintessential sport for all three perspectives. The contributors tackle such questions as: How does a player hit a...
