Filesize: 4.88 MB

Reviews

Complete information for ebook fans. It is actually full of knowledge and wisdom I am pleased to inform you that this is basically the very best pdf we have read through inside my very own daily life and can be he very best ebook for ever.
(Gideon Morissette)

STRONGFORT - INTELLIGENCE IN PHYSICAL CULTURE: (ORIGINAL VERSION, RESTORED)

Createspace. Paperback. Condition: New. This item is printed on demand. 52 pages. Dimensions: 7.6in. x 5.0in. x 0.2in. The author, Max Unger, was more widely known by his stage name of Strongfort or Lionel Strongfort. Some . . . decry the practice of systematic physical culture, and recommend good, honest work as a satisfactory and sufficient means of building muscular tissue and promoting vigor. The toll of this, however, is obvious even to those who have never given the subject any special study, for among the millions of the workers of the world there are extremely few who can claim anything like a symmetrical or athletic development. Nearly all forms of labor are such as to overwork certain parts of the body, while neglecting the muscles of other parts. But in addition to the one-sided development thus brought about, most forms of manual work are of a tedious and exhausting character: they consume but do not build strength: they drain ones vitality, bend his back, stiffen his joints and make him angular and slow. It is true that there are a few varieties of honest toil which might be physically beneficial to anyone, but the prevailing long hours for work more than offset the good results that might accrue in such cases, and the fact remains that most laborers are sadly lacking in any true bodily culture. - Lionel Strongfort A must have in your physical culture library.
