Rudolf Steiner Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Delivered more than 60 years ago, the lectures in this booklet demonstrate Alfred Heidenreich's gift for kindling understanding of the essence of Christianity and the nature and being of Christ. Guided by spiritual science or anthroposophy, as founded by Rudolf Steiner (1861-1925), Heidenreich presents an imaginative and insightful reading of the meaning of Christ's resurrection body, addressing the significance of original sin and the Fall, and how they relate to this metaphysical body. In his second lecture, Heidenreich addresses the greatest mystery of our time, relating to the true meaning of Christ's Second Coming or appearance in the etheric realm of the earth. It is our responsibility, says the author, to bring the awe and wonder of our thought, the mercy and love of our hearts, the conscientiousness of our deeds, to help illumine and strengthen this esoteric reality.
