

## The Plato Papers: A Prophecy

By Peter Ackroyd

Anchor Books, United States, 2001. Paperback. Book Condition: New. Reprint. 196 x 132 mm. Language: English . Brand New Book. From the imagination of one of the most brilliant writers of our time and bestselling author of *The Life of Thomas More*, a novel that playfully imagines how the modern era might appear to a thinker seventeen centuries hence. At the turn of the 38th century, London's greatest orator, Plato, is known for his lectures on the long, tumultuous history of his now tranquil city. Plato focuses on the obscure and confusing era that began in A.D. 1500, the Age of Mouldwarp. His subjects include Sigmund Freud's comic masterpiece *Jokes and Their Relation to the Subconscious*, and Charles D. 's greatest novel, *The Origin of Species*. He explores the rituals of Mouldwarp, and the later cult of webs and nets that enslaved the population. By the end of his lecture series, however, Plato has been drawn closer to the subject of his fascination than he could ever have anticipated. At once funny and erudite, *The Plato Papers* is a smart and entertaining look at how the future is imagined, the present absorbed, and the past misrepresented.

### Reviews

*The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.*
