Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Public Grounds of Chicago: How to Give Them Character and Expression When Mr. Capability Brown (as he was nicknamed in consequence of one of his favorite expressions, ) created in the last century a revolution in the old geometric manner of arranging grounds, in England, by the introduction of what was termed the natural style, he was for a time, regarded as the arbiter of taste, and every one was so delighted with the change from angles to curved lines, that it was not at first perceived that in his zeal to hit upon the line of beauty, which he fancied to consist in a series of graceful curves, he had fallen into an equally formal system as the one he condemned; so that one of his critics remarked of his serpentine paths, canals, etc., that you might walk from one end to the other, stepping first upon zig, and then upon zag, for the whole length. And this kind of formality is the danger which is most to be apprehended in the construction of such a drive as the one we are considering, for, whenever, by the introduction of water, or plantations, or whatever object may be devised, a reason is furnished for a variation from a straight course, the necessity immediately stares us in the face of providing something on the other side, to turn it back again, before it reaches the boundary within which it must be retained, and the continuation of such variations, with a repetition of scenes of woodland, lawn and water, which, however tastefully arranged, must consist essentially of the same elements of attractive interest, would result eventually in a monotony...
