

Experiencing Civil Procedure (Hardback)

By James Moliterno

West Academic, United States, 2013. Hardback. Book Condition: New. New. 254 x 190 mm. Language: English . Brand New Book. This is the first primary Civil Procedure course book to incorporate skills assignments into the book. The book actively involves students in the application of civil procedure concepts. It includes three simple simulation cases, one contracts based, one torts based and one blended case. Sample documents from real cases are also included. Students using this book will engage in experiential learning exercises, including drafting the jurisdictional allegations for complaints, drafting very simple pleadings and motions, and responding to supervisor email messages. The book contains the statutes, rules, and edited cases that are the staples of traditional Civil Procedure casebooks, incorporating them into an experiential learning approach.

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
