Love in my world usually ended up with someone hearing I smite thee! as she was cursed to be some lame flower for the rest of her life. For three years, Alexandria has lived among mortals-pretending to be like them and trying to forget the duty she d been trained to fulfill as a child of a mortal and a demigod. At seventeen, she s pretty much accepted that she s a freak by mortal standards. and that she ll never be prepared for that duty. According to her mother, that s a good thing. But as every descendant of the gods knows, Fate has a way of rearing her ugly head. A horrifying attack forces Alex to flee Miami and try to find her way back to the very place her mother had warned her she should never return-the Covenant. Every step that brings her closer to safety is one more step toward death. because she s being hunted by the very creatures she d once trained to kill. The daimons have found her.
