

Good Profit: How Creating Value for Others Built One of the World's Most Successful Companies (Hardback)

Filesize: 7.64 MB

Reviews

Completely essential read book. I could possibly comprehend every little thing using this written e book. You won't sense monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
(Rosendo Douglas DVM)

GOOD PROFIT: HOW CREATING VALUE FOR OTHERS BUILT ONE OF THE WORLD S MOST SUCCESSFUL COMPANIES (HARDBACK)

Random House USA Inc, United States, 2015. Hardback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. THE REVOLUTIONARY MANAGEMENT SYSTEM BEHIND ONE OF THE MOST SUCCESSFUL COMPANIES OF OUR TIME In 1961, Charles Koch joined his father s Wichita-based company, then valued at \$21 million. Six years later, he was named chairman of the board and CEO of Koch Industries, Inc. Today, Koch Industries estimated worth is \$100 billion -- making it one of the largest private companies in the world. Koch exceeds the SP 500 s five-decade growth by 27-fold and plans to double its value on average every six years. What exactly does this company do and why is it so remarkably profitable? Koch s name may not be on your stain-resistant carpet, stretch denim jeans, the connectors in your smart phone, or your baby s ultra-absorbent diapers but it makes them all. And Koch s Market-Based Management(r) system is what drives these innovations and many more. Based on five decades of interdisciplinary studies, experimental discovery, and practical implementation across Koch businesses worldwide, the core objective of MBM is to generate good profit. Good profit results from products and services that customers vote for freely with their dollars, products that improve people s lives. It results from a culture where employees are empowered to act entrepreneurially to discover customers preferences and the best ways to satisfy them. Good profit is what follows when long-term value is created for customers, employees, shareholders, and society. Here, drawing on revealing, honest, and previously untold stories from his nearly six decades in business, Koch walks the reader through the five dimensions of MBM to show how to apply its framework to generate more good profit in any business, industry, or organization of any size. Readers will learn...
