Mr. Fisk's familiarity with the subject derived from an experience of years in dealing in United States bonds qualifies him to write upon this subject in an authoritative manner. Mr. Fisk has gone for his facts to official and other original sources, such as the Finance Reports of the United States, the American State Papers, and circulars and other papers published at the time the various loans were issued. The technical descriptions of United States bonds and certificates and instructions in regard to transactions with the Treasury Department are based upon the latest official data and regulations.
