He is best known as the reputed author of the Tao Te Ching and the founder of philosophical Taoism, but he is also revered as a deity in religious Taoism and traditional Chinese religions. Hidden within these eighty one chapter the worlds greatest knowledge is said to lie, explaining the laws of nature and the secrets of the universe. Used for public policy it could lead to lasting peace, used for individual health it was said to lead to longevity and even immortality, used for martial arts it s said to lead to great powers. Where will this translation of it lead you?.
