

Marvels and Mysteries of the Mahabharata (Paperback)

Filesize: 7.1 MB

Reviews

It is one of the most popular publications. It is really filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this PDF by which it actually transformed me, affecting the way in my opinion.
(Gerardo Rath)

MARVELS AND MYSTERIES OF THE MAHABHARATA (PAPERBACK)

Platinum Press Inc., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this cauldron of great illusion, with the sun as fire, day-night as fuel; using months and seasons as stirrer, Time is cooking all beings - that is the message. Yudhishtira, in the Mahabharata s Vana-parva 313.118 The Mahabharatha never ceases to fascinate. By far the longest of the world s epics, it transcends the limitations of genre. History, encyclopaedia, philosophy, scripture, warrior saga, it encapsulates all these in one exalting epic tragedy - underscoring the truth in the ancient adage that the whole knowable world is Vyasa s leftover. The Great Epic of India encompasses an awesome interplay of human effort and destiny, set against the backdrop of inexorable Time. Marvels and Mysteries, with its lucid and engaging narrative, seeks to unravel some of its enigmas: the characters of Vyasa, Krshna, Yudhishtira, Arjuna, and Draupadi; aspects of the Mahabharatha s historicity; its medley of interpretations; the stupendous text-critical project to sift its perceived accretions; its inter-relationship with the Ramayana and other epics; and its universal relevance brought home through a series of trans-cultural comparisons. This is the one book about the Mahabharatha which everyone will love to read and gift.
