Love triangles, international adventure, psychic awareness, evil plans for world domination. All At Once will not let you put it down! A beautifully rendered novel. - Faulkner Fox, author, Dispatches from a Not-So-Perfect Life Desperate to escape the tedium of small island life, Florian finds himself drawn to Zar, not realizing how thoroughly her unconventional spirit will challenge his beliefs. The arrival of Emily relieves some of the tension that exists between the two, but hidden agendas provide new sources of conflict as the three characters discover each other and themselves. Elsewhere in the space-time continuum, Jo, an American in Brazil, stumbles upon an anarchist theater group studying the Outernet, a plane of paranormal consciousness that functions as a global communications system. As her latent psychic talents emerge, Jo is drawn into a high-stakes battle to escape the constriction of the ego and overthrow a totalitarian consortium. All at Once constructs an Escher-like world of illusion and exquisite detail, where lost identities surface in unexpected places. The novel invites the reader to new heights of awareness by leading them nowhere and everywhere at once, blurring the boundaries between fiction and reality. This item ships from multiple locations.
