*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

I cannot for my own part draw so sharp a line between the Philosophy of Religion and the Natural Theology which admittedly existed in those earlier periods. No one can be more conscious than myself of the superficiality of the treatment which is here accorded to a subject requiring and deserving a far more thorough investigation.
