We live in a world of mobile phones, laptop computers, text messaging, social media, and video-conferencing; seemingly able to connect with anyone at anytime, yet sometimes we feel terribly alone. How do you maintain intimacy in a world where technology is redefining connection? This book is for anyone who has lived their life in loneliness, wanting the gift of receiving and giving love, but feeling unworthy. K. Franks s writings were critical in helping free me from my selfimposed prison, helping me to shed the chains that for so long paralyzed me and kept me from living an authentic, honest life.
