This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

ONE PEOPLE MAYOR: A JOURNEY

Hansib Publications Limited. Paperback. Book Condition: new. BRAND NEW, One People Mayor: A Journey, Sebert Graham, Ian Mulder, This work presents the story of one man's journey from childhood in Jamaica to local mayor in the UK. Sebert Graham's laughter pervades this tale of a Jamaican immigrant who sailed to Britain in 1960. He found work easily and his employers soon recognised his potential. This book was distilled from his conversations with Ian Mulder, who contributed the distracting questions and heckling that interrupted the main flow. Ian distilled their forty hours of audiotape into this record of their shared journey, which will entertain and inform all who are interested in the quaint traditions and constant transformation of the United Kingdom through the decades. Sebert's life work illustrates how much effort, often voluntary, has been invested into reinventing Britain as a multicultural land at peace with itself.
