Mosby, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The leading text in pediatric nursing, Wong's Nursing Care of Infants and Children takes a unique, easy-to-understand developmental approach to describe the care of children at each age and stage of development. Childhood diseases and disorders are organized by age groups and body systems, and described through the nursing process framework. This edition includes updates on topics such as the new CPR guidelines, immunizations, and pain assessment and management. Written by pediatric experts, Dr. Marilyn Hockenberry and David Wilson, each with nearly 30 years of hands-on experience, this bestseller provides an evidence-based, clinical perspective that shows how the quality of nursing care can impact quality patient outcomes. A developmental approach addresses the differences at each stage of the child's growth and enables you to individualize care at the appropriate level for each child. UNIQUE ! Quality Patient Outcomes are discussed for major childhood diseases and disorders, showing how nursing care directly impacts patient outcomes. Nursing Care Plans provide models for planning patient care, with rationales explaining why specific nursing interventions have been chosen, and include nursing diagnoses, patient/family goals, nursing interventions/rationales, expected outcomes, and NIC and NOC guidelines. A focus on family-centered care emphasizes the role and influence of the family in health and illness with a separate chapter and Family-Centered Care boxes. Critical thinking exercises use case studies to help you test and develop your own analytical skills. Nursing Care Guidelines provide clear, step-by-step, detailed instructions on performing specific skills or procedures. Nursing Tips include helpful hints and practical, clinical information, and Nursing Alerts provide critical information that must be considered in providing care. An emphasis on wellness includes principles of health promotion and injury prevention for each age group. Drug Alerts highlight...
